Malta The European Union Political

Fifteen years ago Malta joined the European Union (EU) and four years later in 2008 it joined the Economic and Monetary Union. Throughout this period its economy performed exceptionally well, to the extent that it managed to escape the worse ravages of the Great Recession. In general, the majority of the Maltese people support EU membership.

10+ Malta The European Union Political Social And Economic ...

The politics of the European Union are different from other organisations and states due to the unique nature of the European Union. The EU is similar

to a confederation, where many policy areas are federalised into common institutions capable of making law; however the EU does not, unlike most states, control foreign policy, defence policy or the majority of direct taxation policies. These areas are primarily under the control of the EU's member states although a certain amount of structured co

Politics of the European Union - Wikipedia

The European Union (EU) is a political and economic union of 27 member states that are located primarily in Europe. Its members have a combined area of 4,233,255.3 km² (1,634,469.0 sq mi) and an estimated total population of about 447 million.
