performance, to diagnose their weaknesses and to improve their own effectiveness as well as the results of the enterprise they are responsible for.

In his sixty-five-year consulting career, Peter F. Drucker, widely regarded as the father of modern management, identified

Get Free Managing Oneself

Peter F Drucker

eight practices that can make any executive effective. Leadership is not about charisma or extroversion. It's about these practices: Effective executives ask, "What needs to be done?" They also ask, "What is right for the enterprise?" They develop action plans. They take responsibility for decisions. They take

Get Free Managing Oneself

Peter F Drucker

responsibility for communicating. They focus on opportunities rather than problems. They run productive meetings. And they think and say “we” rather than “I.” Since 1922, Harvard Business Review has been a leading source of breakthrough ideas in management practice. The Harvard Business Review Classics series

Get Free Managing Oneself

now offers you the opportunity to make these seminal pieces a part of your permanent management library. Each highly readable volume contains a groundbreaking idea that continues to shape best practices and inspire countless managers around the world.

Get Free Managing Oneself

Peter F Drucker

The essential book on management from the man who invented the discipline Now completely revised and updated for the first time

The measure of the executive, Peter Drucker reminds us, is the ability to 'get the right things done'. Usually this

Get Free Managing Oneself

Peter F Drucker

involves doing what other people have overlooked, as well as avoiding what is unproductive. He identifies five talents as essential to effectiveness, and these can be learned; in fact, they must be learned just as scales must be mastered by every piano student regardless of his natural gifts. Intelligence, imagination and knowledge

Get Free Managing Oneself

Peter F Drucker

may all be wasted in an executive job without the acquired habits of mind that convert these into results. One of the talents is the management of time. Another is choosing what to contribute to the particular organization. A third is knowing where and how to apply your strength to best effect. Fourth is setting up

Get Free Managing Oneself

Peter F Drucker

the right priorities. And all of them must be knitted together by effective decision-making. How these can be developed forms the main body of the book. The author ranges widely through the annals of business and government to demonstrate the distinctive skill of the executive. He turns familiar experience upside down to

Get Free Managing Oneself

Peter F Drucker

see it in new perspective. The book is full of surprises, with its fresh insights into old and seemingly trite situations.

Peter Drucker's wide-ranging book, drawn from his best work, looks at management, the individual and society. He connects these themes of today's world with his

Get Free Managing Oneself

Peter F Drucker

usual clear-sighted and far-reaching style to create a work which encapsulates his essential and strongest writings in one volume. Under the three headings, Drucker covers aspects such as what the non-profits are teaching business and the information that executives need today. In his section on the individual he gives

Get Free Managing Oneself

Peter F Drucker

advice on knowing your own strengths and values, your time and, intriguingly, the second half of your life. The third part on society encompasses the coming of the entrepreneurial society and citizenship through the social sector.
