In this pathbreaking and provocative new treatment of some of the oldest dilemmas of psychology and relationship, Gordon Wheeler challenges the most basic tenet of the West cultural tradition: the individualist self. Characteristics of this self-model are our embedded yet pervasive ideas that the individual self precedes and transcends relationship and social field conditions and that interpersonal experience is somehow secondary and even opposed to the needs of the

inner self. Assumptions like these, Wheeler argues, which are taken to be inherent to human nature and development, amount to a controlling cultural paradigm that does considerable violence to both our evolutionary self-nature and our intuitive self-experience. He asserts that we are actually far more relational and intersubjective than our cultural generally allows and that these relational capacities are deeply built into our inherent evolutionary nature. His argument progresses from the origins and lineage of the Western individualist self-

model, into the basis for a new model of the self, relationship, and experience out of the insights and implications of Gestalt psychology and its philosophical derivatives, deconstructivism and social constructionism. From there, in a linked series of experiential chapters, each of them a groundbreaking essay in its own right, he takes up the essential dynamic themes of self-experience and relational life: interpersonal orientation, meaning-making and adaptation, support, shame, intimacy, and finally narrative and gender, culminating in

considerations of health, ethics, politics, and spirit. The result is a picture and an experience of self that is grounded in the active dynamics of attention, problem solving, imagination, interpretation, evaluation, emotion, meaning-making, narration, and, above all, relationship. By the final section, the reader comes away with a new sense of what it means to be human and a new and more usable definition of health.

established in the previous books, The Torch and the Sword carries these themes further and deeper while venturing into new spiritual territories The Torch and the Sword paints an increasingly broad and clear spiritual picture of our times. As Christians, we are called not only to endure the challenges with which we are faced, but also to prevail, seizing the great spiritual opportunities available to us. The truth of the gospel of Jesus Christ is the light which is stronger than any darkness. This book is a call to those who will love and stand for the Truth until His victory
