Math in Focus provides an authentic Singapore math curriculum, highlighting problem solving as the focus of mathematical learning. This complete program teaches concepts using a concrete-pictorial-abstract learning progression to anchor learning in real-world and hands-on experiences. Each topic is approached with the expectation that students will understand both "how" it works, and also "why."

Dimensions Math (7-8) is an updated and more colorful version that is now aligned to the CCSS. It ' s also considered a sequel to the Primary Math programs. Math in Focus (K-8) was developed by Great Source (a division of Houghton Mifflin Harcourt) in conjunction with Marshall Cavendish (the original publisher in Singapore). Although the basic instructional sequences are similar and the content is very close to the SE, material added to the most recent editions brings it into alignment with CC.
