By Leo Babauta. The most important habit I've formed in the last 10 years of forming habits is meditation. Hands down, bar none. Meditation has helped me to form all my other habits, it's helped me to become more peaceful, more focused, less worried about discomfort, more appreciative and attentive to everything in my life.

~~Meditation for Beginners: 20 Practical Tips for ...~~

Most meditations begin by sitting in a quiet place, closing the eyes, calming the mind, and focusing on the breath. But there's more to meditating than sitting quietly and breathing. When we meditate, we are essentially cultivating awareness and compassion; we are training the mind to stop being easily distracted and instead be more focused in the present moment.
