~~Menorah in the night sky : a miracle of Chanukah~~

Menorah in the Night Sky is a good introduction to the Holocaust for young children. The book conveys a feeling that something bad happened to the Jews without being specific and without talking about death, and it shows how having a friend can make hard times easier.

Imprisoned at a camp called Auschwitz during World War II, twelve-year-old Zev and eleven-year-old David experience a Chanukah miracle in answer to their prayers.

A beautifully illustrated children's book, Menorah in the Night Sky by Jacques J.M Shore, draws on the miraculous events of Chanukah - the Festival of Lights - and tells the meaningful, yet simple story of two young boys, best friends in a lonely camp during the Holocaust, whose faith and hope brings them their own Chanukah miracle. Separated from their families and far from their homes, Zev and David look to the stars to provide the spark of light in place of the nightly Menorah candle. On the first night, they pin their hopes on a lone star, and

wait eagerly for the next night, to see if their Chanukah miracle will come true. A story of friendship and light, full of warmth and hope, richly illustrated and vividly told, Menorah in the Night Sky brings Zev and David to life, and illuminates the value of hope and the miracle of faith, in a way that all children, and their parents too, will enjoy.

Illuminating Justice explores the call to social ethics in The Saint John's Bible, the first major handwritten and hand-illuminated Christian Bible since the invention of the printing press. Situating his close analysis of The Saint John's Bible's illuminations in the context of contemporary biblical exegesis and Catholic teaching, Homrighausen shows how this project stimulates the ethical imagination of its readers and viewers on matters of justice for women, care for creation, and dialogue between Jews and Christians. Written for scholars, pastors, teachers, and any fan of The Saint John's Bible, this book shows how beauty and justice intertwine in this wondrous illuminated Bible for the new millennium.

O'Keefe, and director John Ford. Professor Brad Karelius, drawing on forty years of college teaching, will guide you into hidden mysteries of the sacred as revealed by the Zuni, Navajo/Diné, Hopi, Hispanos, and desert mystics as you seek spiritual encounters in these desert spirit places.

When the people of Chelm receive a giant menorah as a gift from the mayor of Lublin, the villagers try to come up with a fitting way to thank the mayor, but it isn't until the last night of Hanukkah that young Yitzi comes up with the right idea.

In the first century of Christianity the church lived a precarious existence in Palestine. Externally it faced the oppression of Rome and the opposition of an orthodox Jewish majority. Internally the Gospel writers struggled to consolidate a congregation of Jewish converts with stubbornly ingrained Judaic traditions. By reading the Gospels with this historical perspective, we can see the day-to-day trials of the early church, and how the church fathers faced up to the

challenges of traditions that contradicted the teachings of the new faith. In comparison to the Jewish tradition into which Jesus was born, one of the most radical Christian teachings was associated with the nature of the human soul and its continuing existence after death. The Old Testament is not explicit about an afterlife, and a firm belief in an eternal soul did not form a part of traditional Judaism. When Jesus spoke of eternal life, this was a challenge to His audience, and even His own followers had difficulty assimilating this concept. Another concept that was perhaps even more challenging for early Jewish Christians was the position of Jesus as One at the right hand of God, and a Spirit that existed from the very dawn of creation. To the Jews this teaching violated the sacrosanct principle of monotheism a principle that was inherited from Abraham and that was at the very center of Jewish consciousness. Between the Menorah and the Cross takes a fresh look at the differences between Christianity and Judaism, examining the teachings of Jesus that contrasted markedly with the orthodox Jewish view. Reflecting on this dimension offers a new perspective on the mission of Christ in the first century. While we are familiar with the clashes between Jesus and the scribes and Pharisees, it seldom occurs to us that the issues at the center of those conflicts were also issues to be dealt with between the church fathers and their Jewish Christian congregations. For while the Jewish

Christians had accepted Jesus as Messiah, other points of Christian doctrine were slow to be assimilated. Thus the church fathers struggled to deepen their congregations in the subtleties of the Message of Jesus. But more significant still is the fact that their experience colored the way that they wrote the Gospels, the vocabulary that they chose, and the nuances that they embedded in the text. In other words, the way we read the Gospels today is influenced by the experience of Christians in the first century! Only by reexamining their experience and their historical context can we really appreciate the message in the Gospels.

Chapter 1. Jacobs pillow: A scientific materialist reconciles with Christianity This chapter describes the authors early sense of discomfort with Jesus and with Christianity in general. Rebelling against his traditional family religion, he ran the gauntlet from skeptic to atheist to scientific materialist. When finally he became a member of the Bah Faith, he still had not reconciled with Christianity, much less did he feel at ease with the Jesus that he had known through Christianity. The author had to overcome that sense of discomfort by understanding better the milieu in which the Gospels were written, which in turn reveals the underlying intentions of the Gospel writers with regard to Jesus.

Chapter 2. From Abraham to Jesus: The building blocks of faith Surveying the broad sweep of Judeo-Christian history from Abraham to

Jesus, we find an evolution of concepts and a maturation of faith. Abraham was the source of monotheism, and monotheism in turn led to the law and ethics of Moses. What did Jesus contribute to this process? Until Jesus appeared, there was very little said in the Bible about life after death, nor about an immortal human soul. It was Jesus who introduced a firm concept of the eternal, indestructible human soul. This represented a milestone in hum
