#1 New York Times bestselling author Jennifer L. Armentrout returns with book one of the all-new, compelling *Flesh and Fire* series—set in the beloved *Blood and Ash* world. Born shrouded in the veil of the Primals, a Maiden as the Fates promised, Seraphena Mierel's future has never been hers. Chosen before birth to uphold the desperate deal her ancestor struck to save his people, Sera must leave behind her life and offer herself to the Primal of Death as his Consort. However, Sera's real destiny is the most closely guarded secret in all of Lasania—she's not the well protected Maiden but an assassin with one mission—one target. Make the Primal of Death fall in love, become his weakness, and then...end him. If she fails, she dooms her kingdom to a slow demise at the hands of the Rot. Sera has always known what she is. Chosen. Consort. Assassin. Weapon. A specter never fully formed yet drenched in blood. A monster. Until him. Until the Primal of Death's unexpected words and deeds chase away the darkness gathering inside her. And his seductive touch ignites a passion she's never allowed herself to feel and cannot feel for him. But Sera has never had a choice. Either way, her life is forfeit—it always has been, as she has been forever touched by Life and Death.

A gripping, openhearted novel about family, reconciliation, and bringing closure to the secrets of the past. Early into the tempestuous decade of her thirties, Rae Langdon struggles to work through a grief she never anticipated. With her father, Connor, she tends to their Ohio farm, a forty-acre spread that itself has enjoyed better days. As memories sweep through her, some too precious to bear, Rae gives shelter from a brutal winter to a teenager named Quinn Galecki. Quinn has been thrown out by his parents, a couple too troubled to help steer the misunderstood boy through his own losses. Now Quinn has found a temporary home with the Langdons--and an unexpected kinship, because Rae, Quinn, and Connor share a past and understand one another's pain. But its depths--and all its revelations and secrets--have yet to come to light. To finally move forward, Rae must confront them and also fight for Quinn, whose parents have other plans in mind for their son. With forgiveness, love, and the spring thaw, there might be hope for a new season--a second chance Rae believed in her heart was gone forever.

Rumors spread that Tobias Hawthorne's lost son may still be alive, casting doubt on seventeen-year-old Avery's inheritance and changing the rules of the game.

From #1 New York Times bestselling author Jennifer L. Armentrout comes a new novel in her *Blood and Ash* series... *Is Love Stronger Than Vengeance? A Betrayal...* Everything Poppy has ever believed in is a lie, including the man she was falling in love with. Thrust among those who see her as a symbol of a monstrous kingdom, she barely knows who she is without the veil of the Maiden. But what she does know is that nothing is as dangerous to her as him. The Dark One. The Prince of Atlantia. He wants her to fight him, and that's one order she's more than happy to obey. He may have taken her, but he will never have her. A Choice.... Casteel Da'Neer is known by many names and many faces. His lies are as seductive as his touch. His truths as sensual as his bite. Poppy knows better than to trust him. He needs her alive, healthy, and whole to achieve his goals. But he's the only way for her to get what she wants—to find her brother Ian and see for herself if he has become a soulless Ascended. Working with Casteel instead of against him presents its own risks. He still tempts her with every breath, offering up all she's ever wanted. Casteel has plans for her. Ones that could expose her to unimaginable pleasure and unfathomable pain. Plans that will force her to look beyond everything she thought she knew about herself—about him. Plans that could bind their lives together in unexpected ways that neither kingdom is prepared for. And she's far too reckless, too hungry, to resist the temptation. A Secret... But unrest has grown in Atlantia as they await the return of their Prince. Whispers of war have become stronger, and Poppy is at the very heart of it all. The King wants to

Download Free New Release Romance

use her to send a message. The Descenters want her dead. The wolverines are growing more unpredictable. And as her abilities to feel pain and emotion begin to grow and strengthen, the Atlantians start to fear her. Dark secrets are at play, ones steeped in the blood-drenched sins of two kingdoms that would do anything to keep the truth hidden. But when the earth begins to shake, and the skies start to bleed, it may already be too late.

A NEW YORK TIMES, USA TODAY, AND INDIE BESTSELLER An Indie Next Pick! A Man Called Ove meets The Good Place in Under the Whispering Door, a delightful queer love story from TJ Klune, author of the New York Times and USA Today bestseller The House in the Cerulean Sea. Welcome to Charon's Crossing. The tea is hot, the scones are fresh, and the dead are just passing through. When a reaper comes to collect Wallace from his own funeral, Wallace begins to suspect he might be dead. And when Hugo, the owner of a peculiar tea shop, promises to help him cross over, Wallace decides he's definitely dead. But even in death he's not ready to abandon the life he barely lived, so when Wallace is given one week to cross over, he sets about living a lifetime in seven days. Hilarious, haunting, and kind, Under the Whispering Door is an uplifting story about a life spent at the office and a death spent building a home. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

From New York Times Bestselling authors Vi Keeland and Penelope Ward comes a new, sexy standalone novel. ?It all started with a bet. When my young son inherited half of his great grandfather's historic inn, I decided to move us both to the place where I grew up. Notice I said half of the Inn. The other half now belonged to Levi Miller, the famous quarterback who had other ideas about what we should do with the property. We won't mention that I accidentally injured him during our first meeting, causing him to get eight stitches. You could say we got off on the wrong foot. We bickered a lot as we both moved into the property while we figured things out. He wanted to unload the rundown place which, admittedly, needed a lot of work. I wanted to restore The Palm Inn to its original beauty and re-open it as a bed and breakfast. We couldn't agree on anything. So Levi made me a proposal. One he thought I would surely lose. If I could sell out the place by the time he had to leave for training at the end of summer, he would back off and let me run it. But in the weeks that followed, we got more than we bargained for while we were living under the same roof. Levi and I got closer, and before I knew it, my nightly fantasies about the brawny Adonis became a reality. Not to mention, he was so great with my son. We were in over our heads in more ways than one. Because not only was he the last man on Earth I should be falling for because of our deal, but Levi was also my ex's older brother. And now the inn was the least of my problems.

What if everything you've ever loved, ever known, ever believed to be true...just disappeared? Annie Beyers has everything--a beautiful house, a loving husband, and an adorable daughter. It's a day like any other when she takes Hannah to the pediatrician...until she wakes hours later from a car accident. When she asks for her daughter, confused doctors tell Annie that Hannah never existed. In fact, nothing after waking from the crash is the same as Annie remembers. Five happy years of her life apparently never happened. Annie's marriage is coming to an end. Now a successful artist living in Manhattan, she's no longer home in their beloved upstate farmhouse. Her long-estranged sister is more like a best friend, and her recently deceased dog is alive and well. With each passing day, Annie's remembered past and unfamiliar present begin to blur. Haunted by visions of Hannah, and with knowledge of things she can't explain, Annie wonders...is everyone lying to her? The search for answers leads Annie down an illuminating path far from home, to reconcile the memories with reality and to discover the truth about the life she's living.

Angrboda's story begins where most witch's tales end: with a burning. A punishment from Odin for refusing to give him knowledge of the future, the fire

Download Free New Release Romance

leaves Angrboda injured and powerless, and she flees into a remote forest. There she is found by a man Loki, and her initial distrust grows into a deep and abiding love. Their union produces three unusual children, each with a secret destiny, who she is keen to raise at the hidden from Odin's all-seeing eye. But as Angrboda slowly recovers her prophetic powers, she learns that her blissful life - and possibly all of existence - is in danger.

Winner of the 2010 Non-Fiction National Book Award Patti Smith's evocative, honest and moving coming-of-age story of her extraordinary relationship with the artist Robert Mapplethorpe

A GOOD MORNING AMERICA BOOK CLUB PICK "An intense psychological drama that will be embraced by serious book clubs and fans of Lionel Shriver's *We Need to Talk about Kevin*." —Kristin Hannah, #1 New York Times bestselling author "A poetic, propulsive read that set my nerves jangling." —Lisa Jewell, #1 New York Times bestselling author of *Then She Was Gone* A tense, page-turning psychological drama about the making and breaking of a family—and a woman whose experience of motherhood is nothing at all what she hoped for—and everything she feared Blythe Connor is determined that she will be the warm, comforting mother to her new baby Violet that she herself never had. But in the thick of motherhood's exhausting early days, Blythe becomes convinced that something is wrong with her daughter—she doesn't behave like most children do. Or is it all in Blythe's head? Her husband, Fox, says she's imagining things. The more Fox dismisses her fears, the more Blythe begins to question her own sanity, and the more we begin to question what Blythe is telling us about her life as well. Then their son Sam is born—and with him, Blythe has the blissful connection she'd always imagined with her child. Even Violet seems to love her little brother. But when life as they know it is changed in an instant, the devastating fall-out forces Blythe to face the truth. *The Push* is a tour de force you will read in a sitting, an utterly immersive novel that will challenge everything you think you know about motherhood, about what we owe our children, and what it feels like when women are not believed.
