characterized by a number of shared traits.

*new religious movement | Definition, Types, & Facts ...*

John 18.38 Many people today join groups which are often called 'sects' or 'cults'. However, most people who study such religions and spiritualities call them 'new religious movements' or 'minority' religions. If you need information about new religious movements, or have any questions or concerns, you can contact us.

*New religious movements | The Church of England*

New religious movements refer to the modern religious systems that are coming up other than the ancient, popular and dominant religions of the world. There are tens of thousands of New Religious Movements worldwide. The New Religious Movements occupy a peripheral position in a society of believers.

*What is a New Religious Movement? - WorldAtlas*

The term new religious movements has been employed to refer to a number of distinguishable but overlapping phenomena, not all of which are unambiguously new and not all of which are, by at least some criteria, religious. There have, of course, always been new religions – Zoroastrianism, Buddhism, Christianity, and Islam all started off as such.

*New Religious Movements - Sociology of Religion - iResearchNet*

A new religious movement (NRM), also known as a new religion or an alternative spirituality, is a religious or spiritual group that has modern origins but is peripheral to its society's dominant religious culture.

*New religious movement - Wikipedia*

While the number of people involved in new religious movements (NRMs) is small, the attention they have received in the popular media and academic discourse suggest a greater significance. In the popular media, NRMs are most often seen as a social problem.

*Meaning and Significance of New Religious Movements ...*

WALLIS coined the term “new religious movement” to cover the different types of religious movements growing. He identifies between three different kinds of NRM. - WORLD REJECTING –Similar to cults, extremely critical of mainstream society, members follow with total commitment and usually requires a change in lifestyle.

## *New Religious Movements in China: They Were Always There*

This has led to the development of typologies of cults and other New Religious Movements. According to Roy Wallis (1984) cults differ from sects in that they are individualised, loosely-organised, tolerant and make very few demands on their adherents. This is almost the opposite of what we tend to mean by cult in popular usage and popular culture.
