No God But God: The Origins, Evolution and Future of Islam ...

No God but God: The Origins, Evolution, and Future of Islam is a 2005 non-fiction book written by Iranian-American Muslim scholar Reza Aslan. The book describes the history of Islam and argues for a liberal interpretation of the religion. It blames Western imperialism and self-serving misinterpretations of Islamic law by past scholars for the current controversies within Islam, challenging the "clash of civilizations" thesis. According to conservative columnist Reihan Salam, the book has receive
