However, a threat to the rule of law is a different matter. It conflicts with one of the core values of the profession. As with solicitors themselves, the Law Society has no option but to condemn ...

There is no choice over the rule of law | Opinion | Law ...

Rule of law essentially guarantees equality of all individuals in society on the basis of the principle that every person is equal before the law. In societies where the rule of law is exercised, people have the opportunity to seek equal protection whenever any rights violations occur. The lack of rule of law is a major cause of poverty in Burma. Since equal protection for all citizens under the law is ignored, the transparency, accountability and good governance which underpin individual ...

The Secret Barrister: 'No one in power is willing to ...

The rule of law implies that every person is subject to the law, including people who are lawmakers, law enforcement officials and judges. In this sense, it stands in contrast to tyranny or oligarchy, where the rulers are held above the law. Lack of the rule of law can be found in both democracies and monarchies, when there is neglect or ignorance of the law.
