Organizing Schools For Improvement Lessons
Striking in its attention to the influence of community and educator participation in school reform, and sobering in its assessment of some of the neighborhoods where reform was most difficult to attain, the book Organizing Schools for Improvement: Lessons from Chicago is an essential read. . . . Bryk et al. provide a rigorous and compelling empirical study of the possibility for school reform and the degrees of compromise, particularly in contexts where extreme poverty and racial and ethnic ...

Organizing Schools for Improvement: Lessons from Chicago ...
This book by current and former researchers from the UChicago Consortium provides a detailed analysis of why students in 100 public elementary schools in Chicago were able to improve substantially in reading and math over a seven year period and students in another 100 schools were not. Using massive longitudinal evidence, the study yields a comprehensive set of school practices and school and community conditions that promote improvement, noting that the absence of these spells stagnation.
