## America A Hispanic History

An eminent scholar finds a new American history in the Hispanic past of our diverse nation. The United States is still typically conceived of as an offshoot of England, with our history unfolding east to west beginning with the first English settlers in Jamestown. This view overlooks the significance of America ' s Hispanic past.

Our America: A Hispanic History of the United States by ...

During the nineteenth century Anglo-America expands west under the banner of "Manifest Destiny" and consolidates control through war with Mexico. In the Hispanic resurgence that follows, it is the peoples of Latin America who overspread the continent, from the Hispanic heartland in the West to major cities such as Chicago, Miami, New York, and Boston.

# Acces PDF Our America A Hispanic History Of The United States

Our America : a Hispanic history of the United States in ...

The book is divided into three periods: 1) when Hispanics loomed large over the colonial territories that are now the United States; 2) when Hispanics lost power in the 19th century as the Anglo imperial frontier expanded into the West, Mexico, the Caribbean, Central America, and the Pacific, and when Hispanics came to be seen as racially inferior, misbehaving children to spank and educate; and 3) when Hispanics in the 20th century slowly crawled their way back from marginalization to claim ...
