Women's political representation in Africa is more descriptive than substantive. Women represent almost half of the population in Africa, and yet they are the least likely to hold political positions and exercise authority across the continent. Often, female politicians in Africa overcome many barriers and constraints to access political positions.

Political Empowerment of Women in Africa: Influence or ...
As a result of this economic change and empowerment, the people in the society are forced to change so as to adapt to new norms and way of life. Before the colonisation of the African continent, Africans had a unique mode of life, religion and believes, cultural and social values, political, economic and education systems.

Modernization, a Threat to the African Culture - AFRIC
The Sustainable Development Goal 5 (SDG 5) calls for gender equality and full empowerment of women and girls by 2030. One of its targets is the political empowerment of women. Facts show that whereas political representation continues to increase in Africa, equal representation is not achieved in most African countries.

UNU-MERIT » Political empowerment of women in Africa ...
fact that, African women have made significant treads in political participation, worldwide a colossal gap is still in existence. Women have a gargantuan task before they can be acknowledged as full equals and partners to their male counterparts. This paper endeavors to demonstrate the emerging trends in women's political participation in Africa.

Emerging Trends in Women's Participation in Politics in Africa
Political Empowerment African women are ready to lead. But social beliefs and attitudes hinder their quest. By Gumisal Mutume. From Our Writers. Bigger than Africa: Tales of the Yoruba people
