These proceedings present the results of the 11th International Colloquium on Gregory of Nyssa held in Tübingen in 2008. The Trinitarian thought of Gregory deserves special attention because of its importance for the ending of the Trinitarian controversy in the late fourth century, paving the way for the widely accepted Trinitarian theology in the fifth century.

Gregory of Nyssa: The Minor Treatises on Trinitarian ...

It is my great pleasure to welcome you to the 11th International Conference on Ubiquitous Computing. We come together this year in Orlando, Florida to continue the tradition of being the premier forum for multi-disciplinary research in Ubiquitous Computing and its applications. In Disney World, Ubicomp2009 celebrates 11 years of novel research findings and an impressive audience base carefully cross-pollinated from several key communities.
