Raymond Or Life And Death : Lodge, Oliver. J Sir : Free ...

In 1916, the physicist Oliver Lodge published Raymond or Life and Death, a best-selling account of messages transmitted through a medium that Lodge believed came from his son Raymond, a recent casualty of World War I. The narrative appealed to many readers who had lost loved ones during the war, although its apparently fanciful descriptions of the afterlife state made it a subject of controversy.

"Raymond" is the son of Sir Oliver Lodge who died in 1915 and he began to give messages through different mediums about the necessity to share to grieving loved ones that their sons and husbands were still alive and doing well in another dimension that we will all go to. This is an outstanding book that will lead you to others.
