The See it, Say it, Send it app allows law enforcement to send GeoFenced messages about current or past suspicious activity, be proactive in warning about potential criminal activity and alert the community of missing or endangered persons. In return, the community empowerment side of the app allows the app users to capture images, video or audio of suspicious activity and autonomously send it to the closest law enforcement agency.

See it? Say it! on the App Store

Recently here in the UK we have had the launch of a national safety campaign with the simple message of "See it, Say it, Sorted" it's a security campaign for National Rail and when I first heard it in the build up to Christmas I thought that it made complete sense. The idea is that people seeing something unusual are being encouraged to report it to the authorities.
