Spalding Phonics Scope And
Sequence

The Spalding Scope and Sequence is divided into grade-level spelling, writing, and reading instructional objectives that are introduced, practiced, and in some cases, mastered. Spalding defines an instructional objective as a clear statement of what students should know and/or be able to do at the completion of a learning task.

Spalding Education

Included in this scope and sequence is the introduction of the most frequently used words in English. In the past, these high frequency words have been taught as 'sight words' words which need to be recognised as a whole despite being at least partially "decodable". What really counts as decodable depends on which phoneme X grapheme patterns have been taught up to that point. Rather than approach!
