How 40 Years Of Star Wars Has Saved My Life. Today is Star Wars 40th Birthday. 40 years since my life changed because of it. I saw it over 30 times that first year. I cried when the next movie, Empire Strikes Back, came out because it was a cliffhanger and I hated that I had to wait three years. When "Return of the Jedi" came out, my friends and I convinced our parents to let us take a day off from school.
