The nation's most celebrated literary critic introduces children to the exciting world of literature through this collection of great stories by Hans Christian Andersen, William Blake, O. Henry, Tolstoy, Mark Twain, Oscar Wilde, and others. 100,000 first printing.
The "New York Times Magazine" called Bloom "a colossus among critics" . . . his enthusiasm for literature is a joyous intoxicant." In this enchanting anthology, Bloom brings his love of literature to the younger generation as he presents favorite poems and stories by well-known children's writers, and introduces works by authors better known for their adult classics.

At a time when faster and easier electronic media threaten to eclipse reading and literature, the author explores reasons for reading and demonstrates the aesthetic pleasure reading can bring.

Abraham Lincoln read it with approval, but Emily Dickinson described its bold language and themes as "disgraceful." Ralph Waldo Emerson found it "the most extraordinary piece of wit and wisdom that America has yet produced." Published at the author's expense on July 4, 1855, Leaves of Grass inaugurated a new voice and style into American letters and gave expression to an optimistic, bombastic vision that took the nation as its subject. Unlike many other editions of Leaves of Grass, which reproduce various short, early versions, this Modern Library Paperback Classics "Death-bed" edition presents everything Whitman wrote in its final form, and includes newly commissioned notes.

Intellectual Eroticism is a series of poems aimed at the sapiosexual mind. To take many different intellectual approaches, hoping to press the mental buttons that control the stimulation of said mind. No two are the same, so of course there is "nerdplay" (Power Cosmic), for the scientific and rational mind. Wordplay, (Mental Spillage), that paints vivid pictures for those with a passionate fantasy mindset. As well as tones of animalistic aggression and or comedic timing (She Wants Me) that may also create mental friction or heat. The "Intellectual Series" of books will explore the mind erotically, romantically and even politically as future books join the series. Hoping to not only spark thought, but positive conversation. The first book in the series "Intellectual Eroticism" looks to evoke mental stimulation and conversation that leads to the kind of physical confrontation that you can appreciate again, and again... And again...

With 6 starred reviews, 8 best of the year lists, and over 20 state award nominations, everyone is raving about Mirror Mirror! "Remarkable."-The Washington Post "This mind-bending poetry is accompanied by Masse's equally intelligent, equally amusing art."-Time Out New York for Kids What's brewing when two favorites-poetry and fairy tales-are turned (literally) on their heads? It's a revolutionary recipe: an infectious new genre of poetry and a lovably modern take on classic stories. First, read the poems forward (how old-fashioned!), then reverse the lines and read again to give familiar tales, from Sleeping Beauty to that Charming Prince, a delicious new spin. Witty, irreverent, and warm, this gorgeously illustrated and utterly unique offering holds a mirror up to language and fairy tales, and renews the fun and magic of both.

Winner of the National Book Award for Young People's Literature, the Michael L. Printz Award, and the Pura Belpré Award! Fans of Jacqueline Woodson, Meg Medina, and Jason Reynolds will fall hard for this astonishing New York Times bestselling novel-in-verse by an award-winning slam poet, about an Afro-Latina heroine who tells her story with blazing words and powerful truth. Xiomara Batista feels unheard and unable to hide in her Harlem neighborhood. Ever since her body grew into curves, she has learned to let her fists and her fierceness do the talking. But Xiomara has plenty she wants to say, and she pours all her frustration and passion onto the pages of a leather notebook, reciting the words to herself like prayers-especially after she catches feelings for a boy in her bio class named Aman, who her family can never know about. With Mami's determination to force her daughter to obey the laws of the church, Xiomara understands that her thoughts are best kept to herself. So when she is invited to join her school's slam poetry club, she doesn't know how she could ever attend without her mami finding out. But she still can't stop thinking about performing her poems. Because in the face of a world that may not want to hear her, Xiomara refuses to be silent. "Crackles with energy and snaps with authenticity and voice." -Justina Ireland, author of Dread Nation "An incredibly potent debut." -Jason Reynolds, author of the National Book Award Finalist Ghost "Acevedo has amplified the voices of girls en el barrio who are equal parts goddess, saint, warrior, and hero." -Ibi Zoboi, author of American Street

A heavenly shade of blue was always in her eyes and her innocent smile captured the hearts of many. But even a beautiful smile can cover the ugliest of things. Who would've ever known that the beautiful and loving Princess MARRISA would fall victim to a very dark and hostile scheme, conjured up by something that is as old as time? No one did-not even Tairren, who was one of MARRISA's dearest friends. Overtaken by MARRISA's beauty and charm, Tairren was very much in love with her and would do anything for her-even if that meant facing the overwhelming powers of darkness. It was on MARRISA's long awaited sixteenth birthday, her engagement to Prince Phillip and the day before her enthronement to the kingdom of Ishkar, when it happened. When MARRISA is abducted by someone she had always trusted, she is forced into the Forbidden Lands of Minsiehrate and awakens upon a plot that would shake the world. With the company of his very different comrades, the unconventional Lady Natalia and the arrogant Prince Phillip of Ishkar, Tairren travels across the uncertain lands of Minsiehrate to rescue MARRISA. They begin to realize that their precarious situation is dealing with more than just a kidnapped princess-that's just the beginning... They must trust in the unseen God of Light and have faith in a legend that they don't even understand. While their beloved princess awaits a terrifying fate, they must become awakened by light if they are to face their own dark quest.. Prophecy stirs, blood spills, light burns and darkness screams-revealing The Last Legend..

George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature - his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While 1984 and Animal Farm are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In Why I Write, the first in the Orwell's Essays series, Orwell describes his journey to becoming a writer, and his movement from writing poems to short stories to the essays, fiction and non-fiction we remember him for. He also discusses what he sees as the 'four great motives for writing' - 'sheer egoism', 'aesthetic enthusiasm', 'historical impulse' and 'political purpose' - and considers the importance of keeping these in balance. Why I Write is a unique opportunity to look into Orwell's mind, and it grants the reader an entirely different vantage point from which to consider the rest of the great writer's oeuvre. 'A writer who can - and must - be rediscovered with every age.' - Irish Times
