"You have to figure it out and work through your day … and have a kung fu grip doing it." O'Donnell's last two pieces – Ninja Style and the Never Give Up Pac-Man – are still there. In a place that seems like it’s constantly changing, they’ve stayed constant – for now anyway.

"DAVID NEVER EXPECTED HIS STORY TO BE LIKE THIS, but at twentyseven years old, he learned of his Grade II Oligodendroglioma: an inoperable brain tumor allowing him five to seven years to live. This discovery sent him down an entirely different road by measuring the true meaning of his relationships, struggling for and against his cancerous body, and questioning those who attempt to define him, but unfortunately, this path led him to rock bottom. But David has learned there's nothing wrong with existing at rock bottom as your life begins again. It seems that rock bottom is where God loves to start building the foundations for His best stories. "

Ever since high school, the female lead who liked Bai Lingyu came back after living in the United States for three years, and conquered the male lead with her new face. The male lead also had a favorable impression of the female lead from high school. But their feelings were opposed by forces such as Anzhiwei. Later on, the male lead and female lead separated for a period of time due to misunderstandings, and at the same time, Gu's deep feelings caused the female lead to waver. They split up and quarreled, and deep love and strong ugliness intertwined between them.

The retired Special Forces soldiers, Zhao Yang, were repeatedly assassinated when he returned to Huaxia. After his investigation and counterattack, they cleared away one obstacle after another and found out that he had an extraordinary background. However, there was actually a shocking secret hidden behind this background; they just had to see how Zhao Yang would survive and unravel this secret, step by step, to reach the pinnacle of his life.

The story happens in the middle of the twenty-first century. An asteroid incident, which almost destroys Earth, leads to a series of thrilling events. And two men who are struggling in a desert island create a never-forgotten memory and the deepest friendship. Sam, a famous high scientific company CEO, and Mike (James), a top scientist from a very advanced planet of another universe, who lost his memory during an action to rescue Earth, step by step created a remarkable dream, the human being's first time travel to the real outer space to visit another advanced planet and discover the ideal planet. The story is thrilling and tortuous, especially during all the process. The love story about Mike and Kay and several other young couples from different planets proved a fact: that love is not only existing in the human beings on Earth but also existing in the universe. Also, Sam, Mike, and John, the three best friends, by hard work and creative activity, get in incredible results for the future. That advanced civilization and their representatives-UFOs-a magical and perfect description of advanced civilization from one thousand to ten thousand years later, absolutely attract all the readers who want to get an impression for the future. And after this book, the continuing five to six totally different but connected stories will inspire every reader to travel to other civilizations with them. So let's go with them, to communicate with these people from the future and another world.

Everyone assumes that because he's Chinese, Jon Wong must be good at math and science and a first-class nerd. No matter how hard he tries, he can't seem to shake the stereotypes. After a kung fu action movie, Jon and his best buddy pretend to be martial-arts warriors. Word soon spreads that Jon is a kung fu master, and the kids begin to treat him differently. Rather than correct the mistake, Jon plays up the role and basks in the positive attention from his classmates. But when the school bully challenges him to prove his skills, Jon must figure out a way to somehow keep his status as the cool kid. Without getting pulverized.
