Traditional behavioral and cognitive neuroscience have yet to provide satisfactory answers. The Archaeology of Mind presents an affective neuroscience approach which takes into consideration basic mental processes, brain functions, and emotional behaviors that all mammals share to locate the neural mechanisms of emotional expression.

The Archaeology of Mind: Neuroevolutionary Origins of ...

The Archaeology of Mind presents an affective neuroscience approach—which takes into consideration basic mental processes, brain functions, and emotional behaviors that all mammals share—to locate the neural mechanisms of emotional expression. It reveals—for the first time—the deep neural sources of our values and basic emotional feelings.

Buy The Archaeology of Mind: Neuroevolutionary Origins of Human Emotion: Neuroevolutionary Origins of Human Emotions (Norton Series on Interpersonal Neurobiology) by Panksepp, Jaak, Biven, Lucy Published by W. W. Norton & Co. (2012) by (ISBN:) from Amazon's Book Store. Everyday low prices and free delivery on eligible orders.

The Archaeology of Mind: Neuroevolutionary Origins of ...

The Archaeology of Mind is Panksepp's second attempt at exploring the topic of affective neuroscience, and this text comes off as significantly more readable than his previous. There are instances where he goes into unnecessary issues surrounding particular topics, and he leaves off some potential affective systems that are too related to sensory experience.
