The Beano Annual is the current name of the book that has been published every year since 1939, to tie in with the children's comic The Beano. As of 2018 there have been 80 editions. The annuals are traditionally published in July or August, in time for Christmas, and since 1965 they have had the date of the following year on the cover. Before then no date was given.

The Beano Annual is a bit of a Christmas tradition for me and even though it has moved on with the times in some places, much of it remains the same with a mixture of old favourites and newer characters making an appearance. The best thing is that Amazon sell the annual for £2/3 cheaper than many other places.
