Century to the present day. Since the 1980s, Asian American literary studies has developed into a substantial and vibrant field within English and American Studies.

The Cambridge Companion to Asian American Literature ...

This Companion offers a comprehensive account of the influence of contemporary British Black and Asian writing in British culture. While there are a number of anthologies covering Black and Asian literature, there is no volume that comparatively addresses fiction, poetry, plays and performance, and provides critical accounts of the qualities and impact within one book.

The Cambridge Companion to Asian American Literature by ...

The Asian context Liberation theology differs from other theologies in that it starts with an analysis of the context, as it wants to respond to the cries of the people arising from it. As contextual theology we can distinguish it by regions - Latin American, African, Asian, European - and by social groups such as the poor, women, blacks, Dalits, indigenous peoples.
