Inside a Child's Mind - Research Findings from Psychological Science. Developmental psychology researchers have long known that children aren't simply mini-adults - their minds and brains work in fundamentally different ways.

# Get Free The Contents Of Childrens Minds On

Exploring those differences can help us understand how kids think and behave and can provide insights into how the mind and brain develop and change over time.

Children's Minds by Margaret Donaldson

## Get Free The Contents Of Childrens Minds On

My third and final piece of holiday reading this Summer was Margaret Donaldson's Children's Minds, the first book I've read on child psychology. This is a book first published in 1978, but various sources suggested it to me as a good introduction to the field. I wasn't quite sure what to make of this
