Something startling is happening in American religion: We are witnessing the end of church or, at the very least, the end of conventional church. The United States is fast-becoming a society where Christianity is being reorganized after religion. In recent decades, untold numbers of people have left the Roman Catholic Church. In a 2008 survey, Pew research found that one in 10 Americans now considers themselves an ex-Catholic.

The End of the Church is a quite impressive work. Radner shows the way that Protestants and Catholics understood each other in the aftermath of the Reformation, and the differences which led to division and continued the division. He also helpfully points to the way that the church needs to repent and do penance for its sin of divisiveness.

The Church of England's culture of entitlement has to end. Posted: Tue, 20 Oct 2020 by Richard Scorer. The furore over John Sentamu not being handed a life peerage reveals an ugly culture of entitlement that has not served church or state well, argues Richard Scorer. This week, in an article headlined " Peerage snub for top black bishop ", the Sunday Times claimed that Downing Street had delivered an "extraordinary snub to Britain's first black archbishop by failing to award him an ...
