the body parts that go along with them. These fun activities will help them do just that!

~~20 Five Senses Activities to Engage Young Students ...~~

Teaching the kids about the five senses (sight, smell, sound, taste,

Where To Download The Five Senses Interactive

touch) is a good way to help them understand their bodies. A lesson in the five senses is also great for self esteem because they are discovering new and exciting things about themselves.

Exploring the senses is also great for kids with autism.
