The Invisible Path to Success by Robert Scheinfeld ...

Like an invisible hand, the system works autonomously, effectively, and efficiently. Planners only have to intervene in exceptional cases to check and make corrections. More than that, the system improves forecasting accuracy, as not only does it draw on multiple data sources, it also interconnects them using artificial intelligence and machine learning.

The invisible hand: On the path to autonomous planning in ...

"The Invisible Disability" was birthed from Gwendolyn's desire to empower children to walk in strength, despite their disability, drawing attention to the fact that being different does not equate to an inability to grow and succeed in and out of the classroom.
