The problem, of course, is that the Catholic Church at one time actually did read Genesis as containing "scientific" information, That IS a problem and one that Robert Barron does not address. The most obvious problem for me is that the myths of Genesis show themselves to be just more creation myths among thousands.

The Genesis Problem. By Rev. Robert Barron. I ' m continually amazed how often the " problem " of Genesis comes up in my work of

evangelization and apologetics. What I mean is the way people struggle with the seemingly bad science that is on display in the opening chapters of the first book of the Bible.
