Social Constructions of Reality | Introduction to Sociology

I was drawn into the Social Construction of Reality after reading Invitation to Sociology. The latter opened my eyes to the fascinating world of sociology, transforming the way I saw the world. This book takes it a step further, detailing a very sophisticated vision of the world, where reality is constantly constructed and created through the mutual interactions of human beings.

knowledge is concerned with the analysis of the social construction of reality.” “ The theoretical formulations of reality, whether they be scientific or philosophical or even mythological, do not exhaust what is ‘ real ’ for the members of a society.

The Social Construction of Reality: A Treatise in the ...
The term social construction of reality refers to the theory that the way we present ourselves to other people is shaped partly by our interactions with others, as well as by our life experiences. How we were raised and what we were raised to believe affect how we present ourselves, how we perceive others, and how others perceive us.
