### **The Undercover Economist Strikes Back: How to Run--or Ruin ...**

Senior columnist for the Financial Times Tim Harford brings his experience and insight as he ranges from Africa, Asia, Europe, and the United States to reveal how supermarkets, airlines, and coffee chains--to name just a few--are vacuuming money from our wallets. Harford punctures the myths surrounding some of today's biggest controversies, including the high cost of health-care; he reveals why certain environmental laws can put a smile on a landlord's face; and he explains why some ...

### **The Undercover Economist, Revised and Updated Edition ...**

The concept of Harford as an “undercover economist” is the only area that doesn’t live up to the promise. Sure there are times when he uses the idea to explain why things are as they are from an economist’s point of view - notably looking at coffee prices - but while there are times when it is a useful device, for much of the book the undercover concept is a bit spurious.
