In tort law cases, liability insurance is vital for the accused to protect their assets. Those that are found guilty without the benefit of liability insurance, often find that it takes a lifetime to pay off any judgments made against them. In fact, the courts can garnish wages and take money from bank accounts, when the accused do not meet ...

Liability Insurance Explained - Tort - LAWS.com

A tort, in common law jurisdiction, is a civil wrong (other than breach of contract) that causes a claimant to suffer loss or harm, resulting in legal liability for the person who commits the tortious act. It can include intentional infliction of emotional distress, negligence, financial losses, injuries, invasion of privacy, and many other things.
