Designed to work with Kaplan's Step 2 High Yield course, this edition features exam-style questions and is the highest yield full-color review book for the Clinical Knowledge exam. If it is not likely to appear on the test, it is not in this book. The Best Review New design with hundreds of full-color diagnostic images, algorithms, and tables New biostatistics chapter and expanded disease coverage, with dozens of new topics including Zika and Ebola Logical, step-by-step approach to patient care Disease topics are presented in exam-style format for realistic review: What is the most likely diagnosis? What is the best initial test? What is the most accurate diagnostic test? What is the treatment? Expert Guidance Avoid surprises on Test Day with exclusive tips and targeted review from USMLE expert Conrad Fischer, MD. Expert test-taking advice, including tips for recognizing incorrect answers and guidance on the order in which steps should be taken. We invented test prep—Kaplan (www.kaptest.com) has been helping students for almost 80 years. Our proven strategies have helped legions of students achieve their dreams.

Part of the bestselling Secrets Series, the updated sixth edition of Neurology Secrets continues to provide an up-to-date, concise overview of the most important topics in neurology today. It serves as a comprehensive introduction for medical students, physician assistants, and nurse practitioners, and is also a handy reference and refresher for residents and practitioners. Lists, tables, and clear illustrations throughout expedite review, while the engaging Secrets Series format makes the text both enjoyable and readable. New lead editors, Drs. Kass and Mizrahi, join this publication from a leading neurology program to lend a fresh perspective and expert knowledge. Expedites reference and review with a question-and-answer format, bulleted lists, and practical tips from the authors. Covers the full range of essential topics in understanding the practice of neurology. Features "Key Points" boxes to further enhance your reference power. Presents a chapter containing "Top 100 Secrets" for an overview of essential material for last-minute study or self-assessment. Fits comfortably in the pocket of your lab coat to allow quick access to essential information. Completely revised content covers all of today's most common neurologic conditions and their treatments. New lead editors offer a fresh perspective and expert knowledge.

This Fourth Edition of Pathophysiology for the Boards and Wards offers the most tested information on the USMLE Step 1 in a systematic, outline manner. This essential guide also works well as a companion on rotations, covering the information you need to master your clerkships in a concise, handy pocket reference. Pathophysiology for the Boards and Wards is perfect for medical students. Physician assistants, nurse practitioners, and related health professionals will also find Boards and Wards valuable.

Anesthesia Secrets, 4th Edition by James Duke, MD has the quick answers you need for practice and review. It uses the popular question-and-answer format of the Secrets Series® to make essential guidance easy to reference and study. A list of the Top 100 Secrets in anesthesiology lets you review the most frequently encountered board review questions at a glance; and an informal tone, user-friendly format, and pocket size make the book both convenient and portable. A section on the Top 100 Secrets in anesthesiology provides you with a high-yield overview of essential material for study or self assessment. A question-and-answer format, Key Points boxes, bulleted lists, mnemonics, and a two-color page layout make information remarkably easy to reference and review. Practical tips from the authors provide valuable insights into best practices. The book's portable size lets you carry it comfortably in your lab coat pocket. Thorough updates throughout equip you with the most up-to-date information on all areas of anesthesia, including the most current standards of care.

For 30 years, the highly regarded Secrets Series® has provided students and practitioners in all areas of health care with concise, focused, and engaging resources for quick reference and exam review.
