Anthony Browne. The pages were copied by taking photographs as the book is too large to scan in! I think however it is an acceptable and clear enough version. I have printed this off in A4 and all the pages (text and illustrations) are clear enough for children.

About this title. Four different voices tell their own versions of the same walk in the park. The radically different perspectives give a fascinating depth to this simple story which explores many of the author's key themes, such as alienation, friendship and the bizarre amid the mundane. Anthony Browne's world-renowned artwork is full of expressive gorillas, vibrant colours and numerous nods to Magritte and other artists, while being uniquely Browne's own style.
