BarCharts, Inc was founded on our law guides created by the owner, designed to understand the significance of details within the larger scheme of the law, as a daily refresher, and to review before the Bar Exam. Twenty five years later we keep those guides up to date for students, paralegals and practicing lawyers to have the most handy legal reference to the most important points of the law possible in 6 laminated pages. 6-page laminate guide includes: Freedom & Power To Transfer Property At Death Execution Of Valid Will Scope Of Will Construction Of Will Revocation Of Will Contracts Concerning Wills Disposition Of Decedent's Property Probate Intestacy Advancement Transfer To Minor Will Substitutes Bars To Succession Trusts Terms

Now in its Second Edition, Examples & Explanations: Professional Responsibility continues to be an appropriate ancillary source for students in any Professional Responsibility course. Not only does it utilize the proven pedagogy of the E&E series

An important reference for the entrepreneur, student or para-professional, every aspect of forming and maintaining a corporate entity is included in this useful chart. Ready for a three-ring binder and laminated for durability.

Wills and Trusts are legal documents which express a person's intent as to the disposition of their estate. The will or trust could become effective while the person is either alive or deceased. The commonality in both documents is that a third party is designated to manage the property or assets of the individual creating the will or trust. A chart would be helpful to explain the benefits between the two documents and under what circumstances would an individual prefer one document over the other.
