believers inside and outside the church, as well as the tendency of some women to romanticize Christ and approach him in a rather worldly manner. His style and candid observations may provoke, amuse, rankle or stimulate, but they won't bore or tire anyone. As an ordained minister as well as an actor, director and now artistic director of Amun Ra Theatre, Dr. Carr's background provides him with a unique view of the secular and spiritual universes. This book seeks to combine the down-to-earth approach of the street with the optimistic worldview of a true believer unafraid to confront injustices and untruths wherever they occur, and courageous enough to offer solutions and fresh approaches for a new century and contemporary constituency.

Many Christians today struggle with doubt when the hard times come upon them unexpectedly. The facts in this book will give you a reason to erase doubt and enable you to stand firm in the midst of trials. With a mix of scriptures and her own observations based on years of Bible study and prayer, Rivera offers strong insight that will help Christians grow on
